We will only submit a finance application to a prospective lender with your consent and the information you provide to us must be accurate. The lender will carry out an affordability assessment and a credit check before making an offer of finance to you. Each finance application will leave a footprint on your credit file. Finance is never guaranteed and is always subject to status and affordability. Terms and conditions apply, to find out more please visit: <https://www.marshall.co.uk/about-us/legal-information/> We will provide you with information, but we do not offer financial advice and we do not make recommendations on any financial product. We operate a non-advised sales process. Please read all terms and conditions and other documentation that we provide to you carefully in order to decide whether what is being offered is suitable and meets your needs. The financial products that we have available may vary from time to time and may include Hire Purchase, Conditional Sale, Fixed Sum Loan, Personal Contract Hire ("PCH") and Personal Contract Purchase ("PCP"). Each financial product has different features, terms and conditions. If you require any further information about our financial products and services, please let us know. The Personal Contract Purchase finance plan shown above is available through Jaguar Land Rover Financial Services, a trading style of Black Horse Limited, St William House, Tresillian Terrace, Cardiff CF10 5BH. If the vehicle has exceeded the maximum agreed mileage, a charge per excess mile will apply of 14.0 + VAT pence per mile. If the vehicle is in good condition (fair wear and tear accepted) and has not exceeded the maximum agreed mileage you will have nothing further to pay; (2) Pay the Optional Final Payment to own the vehicle or; (3) Part exchange the vehicle subject to settlement of your existing credit agreement; new credit agreements are subject to status.
